International Summer School «FROM FIELD TO FORK – FROM TREE TO MOUTH: Agricultural Production for Food Security and Import Substitution»

Belgorod State Agricultural University and Michurinsk State Agrarian University are glad to invite you to participate in the summer school programme “From Field to Fork – from Tree to Mouth: Agricultural Production for Food Security and Import Substitution” jointly organized by two educational institutions of higher professional training in Belgorod and Tambov regions. In 2019 the school will be held on July, 30 - August, 12. Students will have a wonderful opportunity not just to study different aspects of agricultural science, such as horticulture, dairy production, agricultural production processing etc., but also to visit agricultural enterprises in order to see with their own eyes how Russian agribusiness is organized as well as to compare the tendencies of agricultural production in different regions of Russia. The programme includes presentations and seminars, as well as practical classes and field experience. The working language of the school is English, German interpretation will be provided when necessary. The programme will last 14 days and the students will receive **4 credits for 44 academic hours** of lectures/presentations combined with professional excursions to agricultural and food production enterprises.

Please, send the documents mentioned below to bsaa-inter@yandex.ru before **June 15, 2019**:

1. [Application form](#)
2. Passport copy

The organization of international summer schools became a popular form of academic exchange in Russia. “From Field to Fork – from Tree to Mouth: Agricultural Production for Food Security and Import Substitution” is an additional study program for students from Europe and Russia which will be organized in two universities Belgorod State Agricultural University (Belgorod region) and Michurinsk State Agrarian University (Tambov region) to share and exchange experience in agribusiness. Summer school is an experience that involves students in the new environment and prepares them for the future life. The combination of studies, discussions, visits to the leading companies, cultural development, language learning, excursions and international communication gives the students a great opportunity to learn a lot about Russian business and Russian soul

**Don't miss a unique opportunity to visit the leading agricultural enterprises
of Belgorod and Michurinsk regions
and to experience Russian culture and hospitality!**
